GETS MORE WILDCATERS.

Revenue agent H. J. Lynch and his faithful "standby" and assistant Sam Whitaker made a raid on the head of Pine Lick, in the 13th district of this county, Wednesday and got two men, a couple of stills, 30 and 40 gal-lon capacity, and destroyed

3000 gallons of beer with a lot of other things that are generally found at a still. The men arrested were Tom Price and Frank Ferguson. Price was shot through the hand when he refused to surrender to the officers. The stills were deposited in the local garage and the moonshiners motored to Cookeville, in the custody of officer Lynch.
